PROFESSIONAL PROFILE

I'm Rahul, a 2nd-year college student and an aspiring full-stack web developer. I'm passionate about crafting seamless digital experiences that combine creativity and functionality. With a strong curiosity for learning and building, I enjoy exploring the latest trends in web development and turning ideas into reality. From front-end design to back-end logic, I'm dedicated to mastering the art of creating user-friendly and efficient websites. When I'm not coding, I enjoy diving into creative projects and exploring new ways to bring stories and ideas to life. My journey is all about growth, innovation, and making a positive impact through technology.
